Dear Minister Sneider:

Following my previous letter of January 20, requesting information on U.S. business interests in Okinawa, I wish to hereby request that similar information be furnished on United States citizens legitimately engaged in professional activities such as lawyers, certified public accountants, physicians, dentists and the like.

It would be appreciated if, as a preliminary step, the names, addresses and other general information concerning these individuals grouped according to their respective fields be furnished us.

Sincerely yours,

Fumihiko Togo
