Secretary, Joint Committee (Japan)

Ministry of Foreign Affairs
Tokyo, Japan

Dear Mr. Miyakawa

On 23 February 1972 Mr Matsuda requested assistance in planning US Forces' representation at the Tokyo Reversion Ceremony 15 May 72. He asked for a suggested guest list.

There was delivered to your office this morning a suggested list of US Forces personnel from Japan mainland. Attached is a suggested list of similar personnel for Okinawa. It was telephoned to me this morning. You will note that the list, contrary to Mr. Matsuda's advice, contains the names of Department of State employees.
