Dear Mr. Minister,

On my return to the United States I send this letter to thank you, and the officials under you, for the kindness shown to me and Mrs. Lampert at the time of the Okinawa Reversion Ceremonies.

We were honored to be the guests of the Foreign Ministry in Tokyo. I shall preserve and treasure the remembrance you so thoughtfully sent to me.

During my tenure as High Commissioner, I felt privileged to meet you, and to work closely with many fine diplomatic officers of the Gaimnsho. For this experience I shall always be grateful.

With respect and good wishes,

Sincerely,
